

# Agustin Grube

Cyber Command | California State Guard  
Agustin.Grube@cmd.ca.gov | 626-390-7672

Cybersecurity and technology practitioner with a Master of Science in Cybersecurity from Georgia Tech, CASP+ certification, and over two decades of experience using web technologies. Brings a strong background in team leadership and operations, with experience across military and civilian environments.

## SKILLS

**Communication & Team Management:** Experienced in delivering presentations, leading cross-functional teams, and supporting staff development.

**Operational Execution & Management:** Proficient in managing complex projects from inception to completion, focusing on objective alignment and efficiency.

**Cross-Team Collaboration:** Strong ability to collaborate with teams and work independently, adapting to project needs and making well-informed decisions.

## RELEVANT EXPERIENCE

### **Cybersecurity Operations and Training Officer / Executive Officer**

California State Guard, California Military Department — 2022 - Current (Part-Time)

Lead operations and training for the Cyber Command, ensuring mission readiness across defensive cyber operations. Develop and execute operational plans and training programs focused on critical infrastructure protection and statewide cyber defense.

#### **Key achievements:**

- Led development and implementation of a Blue Team training program that enhanced team readiness and operational capabilities for statewide cyber incident response.
- Led the Blue Team to 1st place at the California National Guard's 2024 Cyber Dawn Incident Response exercise, demonstrating excellence in critical infrastructure defense.

Other relevant positions held within the California State Guard — 2016 - 2022 (Part-Time)

- **Strategic Communications Officer:** Planned and implemented communications strategies, enhancing information dissemination and public relations efforts.
- **Strategic Plans and Policy Officer:** Researched and planned force-wide policies, ensuring alignment with organizational objectives.
- **Maritime Unit Operations and Training Officer:** Led planning, readiness, and coordination of maritime training supporting search and rescue and disaster response.
